

# Consent Form – Research project

## Participant details

Name		
Address		Postcode
Phone	Mobile	Email address

### Responsible Researcher:

Emily Daniels – State Manager Tasmania

### Additional Researchers:

Catherine Viney – Disability Services Manager and Lea Spaven – State Manager South Australia

1. I consent to participate in this project, the details of which have been explained to me, and I have been provided with a written information sheet to keep.
2. I understand that the purpose of this research is to investigate the reasons that people have nominees appointed and why people choose to act as nominees.
3. I understand that my participation in this project is for research purposes only.
4. I acknowledge that the possible effects of participating in this research project have been explained to my satisfaction.
5. In this project I will be required to participate in an interview with a researcher.
6. I understand that my interviews may be audio taped in order to be transcribed. Audio tapes will then be erased.
7. I understand that my participation is voluntary and that I am free to withdraw from this project anytime without explanation or prejudice and to withdraw any unprocessed data that I have provided.
8. I understand that the data from this research will be stored in a deidentified format on Baptistcare systems.
9. I have been informed that the confidentiality of the information I provide will be safeguarded subject to any legal requirements; my data will be password protected and accessible only by the named researchers.
10. I understand that after I sign and return this consent form, it will be retained by the researcher.

# Consent Form – Research project

## Plain English version

---

**Responsible Researcher:**

Emily Daniels – State Manager Tasmania

**Additional Researchers:**

Catherine Viney – Disability Services Manager and Lea Spaven – State Manager South Australia

---

1. Yes, I consent to take part in this research study. The details of the study have been explained to me. I have received an Information Sheet about the study, which I can keep.
2. I understand that this research study will look into the reasons why people have nominees, and why people choose to become nominees.
3. I understand that my participation in the study is for research purposes only.
4. I recognise and understand the possible effects of taking part in the research study. These have been explained to me.
5. I agree to be interviewed by a Researcher as part of the research study.
6. I understand my interview will be recorded. Later, the recording will be transcribed. After that, the recording will be erased.
7. I am taking part in the study as a volunteer. I can withdraw at any time, without explanation. There will be no consequences if I withdraw, and any information I've given to the study will be deleted.
8. I understand I will that the information from this research study will be stored by Baptcare, but I will remain anonymous.
9. Any information I give during the study is confidential. My confidentiality will be protected, subject to any legal requirements. My information will be password protected. Only the Researchers (named above) will be able to see it.
10. I understand that after I sign and return his consent form the Researcher will keep it.
